1988 saab 900 e convertible (1600 USD)

Location **North Dakota**
https://www.genclassifieds.com/x-627253-z

Really fun car. South Dakota car originally no rust. 5 speed manual transmission leather seats need some stitching . Power steering leaks, brake fluid leaks. I believe it is just replace hoses. When I fill them up with fluid they work great. Has a new battery. Motor is very tight. Drives like a race car. Convertible top motor doesn't always work right. Can be put down by hand 95000 miles. 900 e turbo.

1600 $ best offer no rust body in very good
