Do not call up Casting 360 They are Scam Artist . The minute you tell them you are there to get work and don't want to pay and you have a Agent already they will not talk to you they will hang right up on you. they want you to pay a dollar which is also a Scam . No Agent will ask for any money unless you get payed. Then he only gets 10% of you cut that's it Not one dollar. That's why that's a Scam. I know I have a real Agent. I just want to school some of you new up coming Models and Actresses or Actors coming New to the world like.
