10 Gallon Tank w Goldfish (Kuna)

Location **Idaho**
https://www.genclassifieds.com/x-631031-z

10gallon tank, complete setup (has whisper filter).
Currently housing two goldfish: one is a Telescope Goldfish named Penny, probably about 4yrs old, the other is a Black Moor named Number 2 and he's about 5yrs old.

We are selling our home and downsizing so this aquarium needs a new home. Asking $15

Thank you.
Have a good!
