I am a Honda Mechanic for hire. I work on D-series and B-series motors. If you have any questions give me a call, text, or email and I'll give you the best answer I can weather you don't know whats wrong with your car or you want to know how much it will be for me to fix it or if I can fix it. I can also do brakes, shifters, exhaust, etc. I do not offer a place for me to work on your car I bring my own tools and work where your car is. Thanks and have a good.
