USA Made Lisle oil filter wrenches of various sizes are for sale by William's Distributing. The lifetime warrantied professional mechanic quality oil filter wrenches retail for $17.95 each, but William's Distributing is letting them go for only $10.00 each!! These 3 oil filter wrenches range in size from 5-1/4" - 5-3/4" (used on caterpillar engines), 4-3/4" - 5-3/16" (used on John Deere, Case, and Allis Chalmers tractors), and 4-1/8" - 4-1/2" (used on spin on filters on big trucks and tractors). Each of these oil filter wrenches have a stainless steel band and a "swivel grip" handle which makes it easy to turn in tight spots. William's Distributing, a 40 year old tool business, is going out of business and liquidating all tools for deep discounts.
