Hello! My name is Colleen and I'm currently a full time nanny for a family of three (3 year old girl and 3 month old twin boys). I've been a full time nanny for 3 years or so and have babysat for many years. I have experience with brand new babies all the way to preteens. I work full time but I'm currently looking for some part time hours here and there.

My Availability:

Mon-Thur after 5:30pm

Friday after 12:30pm

Saturday and Sunday (occasional hours available for am & pm).

My starting rate is $12/hr

I work in Glen Allen 23059 and live in Richmond 23230. So I'm looking for families at least within 10miles or less.

Please feel free to ask any questions! Thanks, Colleen
