Rabbits are purebred pedigree Velveteen Lops. The have super soft fur like a Rex. Fur is softer than normal rabbit fur and is dense and short. Ears are lopped and will be long.

Velveteen Lops have great dispositions and are very sweet rabbits. They will be approximately 6lbs when fully grown (medium size rabbit) They are also very hard to find. There are less than 10 available in the United States listed on craigslist.

Rehoming fee is $20 for the buck.
1 Tort Buck ($20)

Fee is for rabbit only, no cage is included, first come, first serve. I will hold a rabbit for a 50% deposit through Paypal.

Pickup can be made in Gloucester, VA (near Courthouse). Kilmarnock, VA is an option from 2PM - 9PM) (Mon-Fri). You have to decide on a rabbit up front for Kilmarnock as it is my work and I won't bring the whole litter with me.

These are the only pickup locations, I cannot travel to meet customers in those 2 areas.

Kits are not available.
