Keep clothes looking new longer with more than an ordinary clean. Meet the Whirlpool® 4.8 cu. ft. Cabrio® top load washer. It uses Adaptive Wash technology with Active Biofilm® wash action to sense and adapt to the new washer load. Plus, with Steam we offer a machine to remove tough odors and work to enjoy better cleaning with the freshness of steam that helps you skip some steps of the laundry. It works by adding extra time for it in the washer before the cycle starts. Plus, it features our industry-exclusive ColorLastâ¢ option that keeps colors vibrant longer. It uses a precise combination of wash action, temperature and time so that clothes look fresh, not
