Restorations, customs & hotrods. Cars and pick ups from the 1920's-1960's is what we love to do. The older the better. Flexible and reasonable.

Will do:
Engine Swaps
Suspension Upgrades/Repair
Brakes upgrades/Repair
Power Window/Lock Installations
A/C Kits
Re-Wiring
& More

Have something else you want restored like an old gas pump or something else from that era, let me know.

The older the better.
