Welcome to Ms. Caitlin's Writing Program, located in San Ramon, CA!

This summer, help your child keep up their reading and writing skills through this fun book club program. Students will practice reading comprehension, discussion, as well as literary analysis writing based on Common Core standards, all the while, reading student chosen novels. Each novel was recommended by the students in Ms. Caitlin's Writing Program, ensuring that kids not only read, but read a book they will love!

Visit www.mscaitlinwritingprogram.com for more information. In the "Summer Program Class Descriptions" tab, you will find a detailed explanations of the programs offered this summer. Feel free to call me at or send me an email if you have any questions. I look forward to hearing from!
