Location **Hawaii**  
<https://www.genclassifieds.com/x-464547-z>

I am looking for a photographer for my vacation in Maui this Sunday. I have modeled in the US for several years and am looking for some good shots of my boyfriend and I while we are out there. This would be the perfect opportunity for a buddy photographer looking to gain experience.

## The Details:

We are open to paying \$200 for a shoot on the black sand beach. We would like 25 high res photos edited on an electronic format with 2 hrs of shoot time (we were hoping for some sun set pictures if possible). Please email me with some beach photos your have done previously and a little about your background.
