Hello new and fellow neighbors. I just arrived in town on Tuesday hitchhiking from Missoula, and I could use a little bit of assistance. I managed to land a job which is providing me with onsite housing. However, until Monday I am without money, and I'm starting to become rather famished. So I'm reaching out for help with either a bite to eat, a few groceries, or some money for food. If you can help please reply to this email or text me at four zero six 2zero3
