

## **LOW COST**

Location **Florida** https://www.genclassifieds.com/x-525259-z

For a lot of basic legal document preparation, most people will hire an attorney. I provide a low-cost alternative to hiring an attorney.

I am a practicing NALA Certified Paralegal with an innate knowledge of the law and the courts. I do not practice law and do not give legal advice. I limit myself to document preparation and filing only.

If you find yourself in need of any of the following services, please contact me and I will try my best to help you:

Family Law form preparation

- a. Child Support Modification
- b. Visitation Requests/Orders
- c. Simplified Dissolution of Marriage
- d. Prenuptial Agreements

**Small Claims Court cases** 

a. Those cases with less than \$5,000 in damages

Other Legal forms

- a. Answers to Complaints
- b. Motions for Extension of Time
- c. Motions to Dismiss
