# Demolition, Clean ups (Anchorage) hide this posting unhide

Location **Alaska**
https://www.genclassifieds.com/x-774894-z

QR Code Link to This Post I've been doing restoration services for over 15 years.

If you need some demolition done for your new project I can get it ready for a reasonable price, and almost dust free

If you are moving out and need your place clean I can do that too.

Anything else you might need helo with? Just ask me

I have good references if you need
