1984 nissian 300zx (600 USD)

Location **Kentucky**
https://www.genclassifieds.com/x-776256-z

QR Code Link to This Post It's been sitting for a couple months. Last time I messed with it I replaced the fuel filter and then it died again. Don't know much about what's wrong just need it gone. Could be a great project car. Clean title. Does NOT run so you'd have to trailer home. Please either text me or email me. Thank you!!! Make me a offer!600
