Relax on our balcony and enjoy the direct view of the beach that Southern Living Magazine voted #1 in the United States! Located on the 18th floor, watch the dolphins play in the beautiful emerald waters of the Gulf of Mexico.

Feel at home in this Condo rated Deluxe Plus, the highest rating given to Condos in this building. Recent extensive remodeling includes new 20 inch tile and new Berber carpet throughout, mirrored wall in living area, remodeled bathrooms, fresh paint, new bed coverings and many new pieces of furniture all tied together in a West Indies theme. Nearly $20,000 was spent to make your stay a pleasant one. This condo and my other condo are unique to all others at Pelican Beach in that they have a keyless entry - no key to pick up or send back and forth, no key to worry about losing at the beach. Less hassle and saves.
