I have a very temporary vacancy in my house which just happens to fall during Stampede. I'd prefer to have someone working the whole show, two to three people, than people in town to party. I take respecting my environment very seriously, and there are plenty of bars in the area if you want to drink and party outside the house! I smoke, so smoking is allowed outside, and the back yard is very secluded and private.

Working Cowboys or Cowgirls would be great, not much room for horses though. :-) Would need \$800 deposit by the 1st, rest would depend on how many people. You could actually arrive days early if need be to set up, the two bedrooms and extra downstairs room should be empty by the 28th, and I'm sure I saw a Stampede Express bus stop very close to here.

Please email if interested, it's a very nice home in a peaceful community, only 1.5 blocks from Center Street or Edmonton Trail in Tuxedo Park. No breakfast although you can cook for yourselves, no real 'amenities,' just a nice home to stay in while you're in town with a guard cat and a nice hostess. :-)

My name is.
