QR Code Link to This Post Sadly we are looking for a new home for our husky mix he is utd on shots and nutered. We hope to find someone who is familure with the breed.he behaves well but has alot of energy and very effectionate he needs someone who has the time he deserves. When we got him my husband and i were on oppasite shifts so we were able to keep him out but now he is in a crate all day.
Pros:
Very sweet a big puppy really
Good with kids and other dogs
Crate trained and house trained
Cons:
No cats
Has to be on a leash at all times! Preferably needs a fenced in yard.
A little food agressive around other dogs(never had a problem with kids)
Heavy sheder

We are asking rehome fee of 150 to ensure a good home. We are willing to let the crate go also for 25.oo
