A recent guest posted this great comment on the top hotel review website: "This was a beautiful most relaxing top notch vacation. The resort was beautiful. All inclusive. We were treated like VIP upon entering. Then we upgraded to the VIP and let me tell you... it was wonderful. I still smile that they knew who we were even on the beach day after day. They called us by our names. They speak to you and place their hands over their hearts. Made me cry when I had to leave! I will go back!!! The food was absolutely amazing! Natural. It was fresh squeezed juice every morning... the taste of the food was amazing! "
