1940 Willys Coupe
392 Chrysler Hemi
Modified 518 Chrysler Manual Transmission
Outlaw Body
Air Conditioning
Black with Red Leather
Outstanding for Show and Drive

This is a 1940 Willys Coupe with a rare and highly desirable 392 Chrysler Hemi engine, rebuilt barely 200 miles ago, with a modified 518 Chrysler manual transmission. Odometer showing just 23,500 miles. The list of features and mods is extensive and includes:

Fiberglass body made by Outlaw Performance with a one piece tilt front end and deluxe '40 Willys Stainless trim with twin 40 grilles. Front end tilt mechanism owner designed and fabricated. Dupont Chrome one Single Stage black paint by Steve Hatcher.

The interior has classic instruments 4 in 1 cluster with separate speedo, vintage a/c with defrost, All American Auto Upholstery red leather and black carpet. Glide engineering [illegible] seat [illegible] column [illegible] Banjo wheel, [illegible] pedals [illegible] tuner [illegible] with Eclipse [illegible] disc [illegible]

[illegible] 1940-1941-1942-1943-1944-1945-1946-1947-1948-1949-1950-1951-1952-1953-1954-1955-1956-1957-1958-1959-1960-1961-1962-1963-1964-1965-1966-1967-1968-1969-1970-1971 Weiand polished blower [illegible]@8.1, [illegible] Crower pulley double [illegible] mounts, Ross [illegible] pistons 8.5:1 [illegible] .030"o/s [illegible] Howard's flat tappet [illegible] hydraulic cam [illegible] lift / .29[illegible] zero, [illegible] turned [illegible] and stem [illegible] peened [illegible] modified, [illegible] intake [illegible] exhaust [illegible] 8mm coil wound spark plug wires, customer fender well headers w ceramic coating, Stainless Specialties 3" Hi-Po-flow mufflers, Be Cool aluminum radiator with twin 11" cooling fan assembly.

The engine was rebuilt top to bottom. Also done was a new camshaft, rods, lifters, springs, bearings, gaskets, distributor and oil pump.

This is an amazing example of a quality built '40 Willys that you can enjoy from the day you make it yours! It is "turn key" ready. We have a seller that is motivated and this makes it a great opportunity for.
