QR Code Link to This Post Hi. Do you need infant care for your baby while you work or go to school? Well, on here for you if you do!
I have been watching children since I can remember. I currently watch my friends baby a few times a week while she goes to school. And I just love doing it.
So, I figured I would see if anyone else needed care.
I live in a beautiful city, in a great and safe area. My own home.
Just me. No live in boyfriend or such. Lol. No children of my own. And yes, I am a female. In my mid 30's.
I have everything already to care for an infant, because I currently already do so.
But, I was hoping to make it more of a daily gig.
I have a swing, bouncers, playpen, bassinet,high chair, feeding seat, rockers, crib, bottles and much more...literally everything to care for a newborn/infant.
I just prefer this age range, because I already have the needed things to care for this age range. Honestly don't have much to care for a toddler.
I am home all day. So, if you need me earlier or later, or even overnight that's totally fine.
My home is really clean (no bugs or such).I'm a non smoker. No drugs. Pets are present. There are cats in home and a cute guinea pig, so if your child is allergic or afraid...my home and my care probably won't be suitable. ðŸ˜ž
No criminal record. Great personality. Very loving. Gentle and caring.
I don't mind diaper changes or formula making or such.
I'm going to be honest, I'm not sure what to offer for payments, I guess it all depends on how many days you need me and how long. I don't mind working with you, if you need it.
You can pay daily or weekly.
I do NOT accept vouchers from the state. I do apologize if this may cause any inconvenience for you.
I ask that you provide formula or breast milk or such. Also diapers and any medications or such.
I always have diapers here for my friends baby, so if they wear the same size, I don't mind using them if it saves you the hassle.
I will abide by your schedules for feeding and sleeping arrangements. As I don't want the baby to get off course. That wouldn't be good.
I don't have any kids licence. So, I don't have the worries of a valid licence. Drop off and pick up should be your job. I must.
The city is Maywood, which is near Cleveland and near Fairview. Near Rt 2, and I-90 east and west.
If you have any questions or concerns, like to set up a time to meet, or possibly discuss the watching of your child, I know. Are you ready to join the email listed. Email me know and the child, days you need me and I'll leave you a reply and if you are okay with texting, prefer calling, leave a text on my phone.
Feel free to ask any needed questions that will make you feel comfortable and reassured that your child will have the best care and the best attention. Which he/she will!
I assure you this!!
Well, I hope to hear from mommy's and daddy's soon.

Please don't message me offering me services or anything that has nothing to do with childcare

Thank!!
