QR Code Link to This Post I am a highly skilled, talented, exceptional and extra ordinary data entry operator who can perform data entry operations with maximum accuracy and profound efficiency within the specified time with provisions of unlimited revisions in order to provide core satisfaction to my clients.

I manually convert hand written documents into digital formats such as MS Word, MS Excel etc. as per the client's requirements.
I can manage data in MS Excel or can even perform data entry from website or into websites whatever is required.

Call / Text :

My affordable rate varies between depending upon the volume and complexity of the job.

I am expert in:
#MS Office
#PDF Handling
#Data Entry
#Data Management
#Data Analysis
#Data Scraper
#Web Surfer
#Internet Researcher
