QR Code Link to This Post We have a litter of small Morkie puppies (Maltese/Yorkie) black girl one black curly curly boy and a chocolate boy with a chocolate nose and one golden girl. They are all super tiny. 8 weeks old and ready for new forever homes. They are charting to be 4.5ish lbs maybe a smidge smaller when full grown. They all have been well socializing but never outdoors. Well known to crating as well. We have been trying to pee pad train them. There tails have been docked and there dew claws removed. Rehoming fee is $850 and firm please read whole entire ad before contacting. They will come with one set of shots already and worming. As well as there current shot record of interested text or call
