QR Code Link to This Post I have reviews on my Facebook page. I have over 15 years experience in repairing Mercedes, Volvo, Saab, Volkswagen, Audi, BMW. I also love modifying and improving performance, or adding unique bells and whistles. Imagine calling the repair shop and always talking with the same awesome guy. I am the receptionist, the service writer, and the mechanic, you always deal with the same person. I'll also update you with photos of the repair. I value customer service highly. Refs available. Professional, Honest, Quick, Courteous and Kind. Mobile, most repairs can be performed at your house or business. Don't pay the outrageous mark ups and labor rates. On instagram and fb as blackowlgarage and thanks!
