QR Code Link to This Post Hi there and thanks for looking at my posting. I am looking to meet a nice, cute woman 18-26 or so to meet and have a nice intimate time together. I am a very polite respectful and honest professional who just doesn't have a lot of time to date and I'd love to find someone who is open to having fun together and who could benefit by a little financial help. I am open if you want to make this a regular thing as well or if you just prefer once, that's ok too

I work as a Cancer Research professional at a local Hospital. I'm tall , go to the gym almost every day, very clean and even smell nice lol. If you are interested, please tell me about yourself and send a photo or two so i know who I am talking too :)

Hope to hear from you soon
