E-Commerce is experiencing explosive growth:

We are one of the largest e-commerce sites in The United States with a proven track record of 29 years in the consumer industry. We produce all of our own products here in the USA. Our business is an on-line shopping club (Bigger than Costco) whereby customers shop on the Internet and save 30% to 40 % on all products. Also, each new customer receives \$100.00 in free products. The ideal rep will get paid a residual commission, monthly, on all Internet purchases made by consumers. This is not MLM or Amway. Nor do you sell any products or host parties. You simply refer people to the manufacturer. We will be launching the greater Montana Area in 2015

Ninety-five (95) percent of all first time customers repeat their orders on a monthly basis. You get paid on all of these repeat orders. P/T \$30,000-\$50,000 per year. F/T \$95,000-\$350,000 per year. If you are trainable & coachable, you can expect to earn a substantial & permanent residual income within your first 60 days as well as Large bonuses, Car Bonus, Revenue Sharing and more..

There is NO Up-front investment or product inventory necessary for you to get started. We are very select with whom we work with. No worries we will fully train the right individual and provide the marketing as well. Serious inquires
