Wagyu Beef (American Kobe Beef) has a buttery taste and unparalleled flavor and tenderness. Cattle Company we raise Japanese Wagyu Cattle from the Tajima bloodline the same breed and bloodlines used in Japan to produce Japanese Kobe Beef. The Tajima Black Wagyu Cattle are known for having the highest amount of marbling of all Wagyu Bloodlines. All our cattle are DNA parentage tested to ensure you get high quality Wagyu Beef and Genetics. (a vast majority of Wagyu Beef producers to do not DNA test their beef supply, which can raise question to the authenticity of their product.)
