I am looking for someone to drive me and a group of my friends from Cleveland back to Mentor after Brown's games.

We have a Brown's bus (No CDL required) that we take down to the Muni Lot in Cleveland every home game and we just need someone to drive us back to Mentor. You have two choices; either come down with us at 6am for the day, stay sober then drive the bus back after the game or get someone to drive you to the Muni Lot around 3:30 and follow the bus back to Mentor to drive you home of course.

We are a fun group of responsible people, ages ranging from 25-35. The bus is heated throughout the day and we have the Brown's game on a 42" TV in the bus so you won't miss any of the game. We also have food, music, a grill, corn hole, and many other games as well.

You don't need a CDL or any special license to drive the bus. It is a short-medium length bus, it's mostly like driving a moving truck and it's automatic. Both the pick up location and destination are right by the freeway so its 95% highway driving. There will of course be a tip jar for.
