Note: IF this isn't something you want to do please do not email me explaining why . Thanks

We are a small company and want to start another crew. We will pay \$11 hourly or settle on a daily rate so you can get done and still get paid for the day.

We have a bunch of bank owned and regular customers properties need mowed daily. You must know how to mow , weed whack , and edge . I will teach you our standards but I need someone who knows what they are doing. We will supply you with truck , lawn mower ,blower, and weed whacker / edger .

Bank owned properties you will need to take a bunch of pictures and lawn must be cut to 2 inches. Everything must be done correctly or job will not be paid. If you have experience with bank properties that is great. You will probably start with only 5 a day just to see how you do and then we will keep adding more. 5 properties should be done in a few hours.

Requirements :

Smart phone (to take pictures of properties)

Valid Driver Licence (We will check)

Clean Record Some of the bank owned properties requires this

Must be available mon - fri and Saturdays as needed .

Please email me and all your experience and information and I will get back to.
