I am an Orthopedic Surgeon in need of the right person that no experience is necessary as I will instruct you. I had a wonderful Masseuse for 5 years and she moved to Florida to take care of her grandmother.

Must be intelligent and personable as I need to have someone I can have a conversation with. I do not have romantic attentions and ideally we would become great friends, as I miss my friend who moved to Florida.

Must be a non smoker and upbeat and I could and would be a Great friend if We both enjoy each others friendship.

Please tell me a little bit about yourself and send a G rated photo if
