QR Code Link to This Post Hi. I have been watching children since I can remember. I currently watch my friends baby a couple times a week while she goes to school. And I just love doing it.

So, I figured I would see if anyone else needed care.

I live in a beautiful city, in a great and safe area. And yes, I am a female. In my mid 30's.

I have everything already to care for an infant, because I currently already do so. (Hence also why I am asking to only care for one infant.)

Playpen, Crib, highchair, swing, bouncers, rockers...everything. Lol.

But, I was hoping to make it more of a daily gig.

I am home all day. So, if you need me earlier or later, or even overnight that's totally fine.

My home is really clean (no bugs or such).I'm a non smoker. No drugs. Pets are present. There are cats in home and a cute guinea pig, so if your child is allergic or afraid...my home and my care probably won't be suitable. ðŸ˜ž

No criminal record. Great personality. Very loving. Gentle and caring.

I don't mind diaper changes or formula making or such.

I'm going to be honest, I'm not sure what to offer for payments, I guess it all depends on how many days you need me and how long. I don't mind working with you, if you need it. I hope this doesn't draw folks back. But, I can give payment ideas once I know a better understanding of what you'll need. How many hours and such. And how many days.

You can pay daily or weekly.

I ask that you provide formula or breast milk or such. Also diapers and any medications or such.

I always have diapers here for my friends baby, so if they wear the same size, I don't mind using them if it saves you the hassle.

I will abide by your schedules for feeding and sleeping arrangements. As I don't want the baby to get off course. That wouldn't be good.

I don't have a drivers licence (I have a valid state ID) so I don't have a vehicle. So, drop off and pick up would be a definite must.

The city is Lakewood, which borders Cleveland and River/Fairview. I'm near Rt 2, and I-90 east and west bound.

If you have any questions or things you want to set up, such [illegible] possibly [illegible] the watching your child, I kindly ask that you reply to this email listed [illegible] Let me know age of child, days you need me and times. Leave your [illegible] and if you [illegible] away with texting [illegible] answer calling. I have both on my phone. I won't [illegible] emails that don't have this [illegible] due to [illegible] amounts of [illegible]

Feel free to ask any needed questions that will make you feel comfortable and reassured that our child will be in the best care and the best [illegible] Which I [illegible]

I assure you this!!

Well, I hope to hear from mommy's and daddy's soon.

Please don't message me offering me services or anything that has nothing to do with childcare

Thank you!!
