We are looking for a versatile person with some experience to help care for our pets, maintain a vegetable and tropical garden, do some housework and miscellaneous chores as needed.

Job requires some bending, kneeling, squatting and occasionally lifting upwards to 25-30 lbs. This job is for someone who is fit and enjoys working outdoors and being around animals and does not mind getting their hands dirty.

Must be able to work M-W-F approximately 6-7 each day. If the fit, desire and drive is right more hours may be available at a later date. Must be dedicated, reliable, honest, cheerful, energetic and be able to work independently. All cleaning supplies and equipment is provided. The work place is a peaceful, drug & smoke free environment.

Duties would include feeding animals and cleaning of rabbit and chicken cages, picking up doggie poop, washing and grooming of dogs and other small jobs as needed. Other duties include general house cleaning and taking care of indoor and outdoor tropical plants and everything involved in growing and maintaining a organic vegetable garden grown in raised beds.

North Shore resident with reliable transportation preferred and as stated must have some experience related to this job specifically some gardening experience.

We will share fruits and vegetables grown on the property with you or provide a space for you to grow your own small garden if you like.

Speaking fluent English not necessarily required as long as you have the experience and can understand simple phrases and basic commands.

To be considered please reply with some basic information about yourself to include any and all experience you have relating to this job offer.
