

Breast Cancer fundraiser Benefit (parma)

Location **Ohio**
<https://www.genclassifieds.com/x-700165-z>

Beth Mrugacz is a single mother of 3 children. She is a long time Parma Resident, a Registered Nurse for 20 yrs. She is employed with the Sheriffs Department as a Quality Improvement Nurse. She has helped and assisted others her whole career.

Beth needs our help now. We are reaching out to the community aand local businesses for help. Beth was recently diagnosed with breast cancer, and may have spread to lymph nodes, and other areas. She is missing work on a regular basis for doctors appointments, co-pays with every visit, and insurance that does not cover everything 100%. Surgery is scheduled but may chane due to resent tests. Once chemo starts she will be out of work, and with surgery and recovery her time off is unknown. She will also need medication, and that is not covered completely either.

We are holding a benifit in November for her. So we are asking for any donations for her. These donations will be raffles off for her, all money raised will be given to her to assist her and her family. Gift baskets, gift cards, food, or anything that we could raffle is welcomed and appreciated.

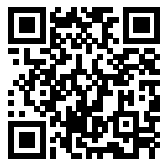

We also have an online funraiser for her set up at giveforward.com or <http://sumo.ly/aYZb> for any monitary donations.

Please contact with any donations, thank!
