need an angel?(Gulfport/biloxi)

I recently made a decision that I thought would be for the rest of my life. Well turns out I was dead wrong. Didn't even have my personal belongings unpacked and the boyfriend was cheating and I got kicked to the curb. I left that night with the arrangement to come back the next afternoon to collect my cloths and personal items. Now he has not only left me jobless (worked for him)and carless but refused to return my clothing. I'm not from the south I don't no to many people to ask for help in my time of desperation so that's why I'm reaching out through Craigslist if any one may have some cloths shoes cosmetics hair products would you find it in your heart to make a complete stranger have a reason to smile please contact me. Ty for your time and consideration and god
