

27 Acres for lease (North Dakota)

Location **Montana**
<https://www.genclassifieds.com/x-709375-z>

We have a piece of property that is available immediately to lease. It is in a great location off Hwy 200 just east of the Killdeer roundabout. It would be a great location for staging equipment, and/or stockpile of product or material for upcoming road projects.

The attached is a google earth image of Ag Express's property located in Killdeer, ND. I have also attached the Dunn County zoning schematic's with legal description and a copy of our gravel brochure.

We are also available to subcontract (bid) for any belly-dump/side-dump hauling or transportation needs you may have. Please refer to our company brochure attached for more information on our company.

I look forward to speaking with you and answer any questions you may have in regards to our property and our service.
