I'm Jenn!! In search of one or two little buddies to hang out with me and my 19 month old during the day while my older kids are in school, I am married with five kids and my husband got laid off a few months ago so I figured I'd try to help bring in some extra income and why not do what I love to do and what I do everyday anyway!! My house is clean, my toys are clean and I am a big fan of sanitizer and wiping noses/washing hands. Pay is negotiable and schedule flexible as well. Please feel free to text for details or any questions...
