Want to host a Gift party in your spare time? Rather Good Gifts is a new breed of innovative and successful companies that allow you to host home parties of your own! Our hostesses run their very own gift businesses through fun and lucrative gift home parties, and you can, too! Contact us today if you're interested in direct sales and hosting a gift party!

If you are familiar with Pampered Chef or any of the other home party companies then you already know how it works! Instead of a measly 80/20 split on commission we are fair in that split the earnings 50/50 with our hostesses! We provide you with a fun case full of the newest gift ideas to show off at your party, along with catalogues for ordering products. All proceeds are split with the company on our 50/50 commission basis, which means you get HALF of every single!
