Hello!

I hope you are doing good today!

If you are looking for someone to take care of your furry/scaly/feathered friend, please look no further. No dog is too big, small, or energetic for me to walk, I love all of them! If you need someone to check on your cat while you're away, I'll be sure to give them a scratch behind the ears for you. If your snake needs a mouse a day, just let me know where they are, I'll be sure to take care of that for you.

Above all, I love animals, and I will be sure to extend the same care my dogs get to all of your animals as well!

I have my own transportation, and I am very reliable. My asking price depends on how far away you are, but I am willing to negotiate.

If you have any questions, please don't hesitate to ask.

I am looking forward to hearing from you!

Have a good one,
