Experienced House Cleaner currently working for a professional cleaning company. Searching for a few of my own clients that may need regular cleanings. One time cleanings are great too! The company I work for charges 25\$ an hour. For the same great cleaning, I charge only 15\$! (Three hour minimum) Services include deep cleaning of bathrooms, surface cleaning of kitchen, dusting and floor cleaning.(inside ovens and fridges are 5\$ each) A lot of my clients have enjoyed my help to organize closets and cupboards! I provide my own cleaning supplies (unless you prefer I use yours) all I need from you is a working.
