I am moving out of state and need to find a loving home for my two adorable Persian cats. One male and one female (litter mates). The female is a long hair calico "Cally" and the male is a long hair tan color "Cosmo". They will be 3yrs February 14, 2016. They have been spayed/neutered and have all shots. They are very loving and have a great personality. I would love to find a home where they can be together but will consider separating them.

If interested - tell me a bit about yourself and home and I will send pictures.

Thank you for your;)
