I am looking to rent out the 2nd bedroom of the condo I rent. The bedroom is a nice size and has its own full bathroom. The condo is very nice with 3 floors and a deck. There is off street parking. Rent is \$650/month plus utilities. Utilities run on average about \$105.00 per month for internet and electric. I have the entire place furnished already so you would only need to bring items for your bedroom. I am looking for a young professional who has a full time job and enjoys being social as I like to have people over fairly regularly. It is located right on Gilbert Avenue just up the street from the casino. Easy access to I-71, downtown, OTR, Oakley/Hyde Park. Room may be available sooner than February 1st. Email for more.
