This cuddly energetic sweetheart, Ernie, is ready to join his new family on January 5th after his neuter surgery. He was rescued from a shelter and so happy to have a new chance to find a forever loving home. He is a healthy, loving and highly energetic doll, full of personality! Excellent litter box and grooming habits

We prefer kittens adopted with another young cat or kitten as they need a mate to avoid "single kitten syndrome". If you don't have a mate at home, we can provide some suggestions of compatible mates.

We are a rescue group dedicated to rescuing and re homing stray and abandoned cats and kittens and do charge a small fee which benefits rescued pets. Ernie will be neutered, vaccinated, and treated for fleas and parasites along with a free lifetime registration micro chip.

Thank you for your interest in adopting a rescued cat or kitten. Please include your personal email and/or phone number for quicker.
