This graceful beautiful Torbie girl cat, Abby, is ready to join her new family on January 5th after her spay surgery/vetting appointment and recovery. She was rescued from a shelter with a little cold virus but has almost fully recovered from it. She is eager to be held and loved as she is very friendly and affectionate, totally ready to join a forever loving home. Abby also has excellent litter box and grooming habits.

We are a rescue group dedicated to rescuing and re homing stray and abandoned cats and kittens and do charge a small fee which benefits rescued pets. Abby will be spayed, vaccinated, and treated for fleas and parasites along with a free lifetime registration micro chip.

Thank you for your interest in adopting a rescued cat or kitten. Please include your personal email and/or phone number for quicker.
