

# Any recommendations for a guitar setup techluthier (MERIDIANBOISE)

Location **Idaho**  
<https://www.genclassifieds.com/x-731555-z>

Got a new guitar and I want to get it setup correctly, actions high. usually I do this myself but I just want it done better than I would settle for.

If you have a recommendation can you include why you recommend this person?

Thanks
