We train people to join our company of MC/DJ's to facilitate the growing number of wedding events and business events. The employee would facilitate and entertain for these events, and make \$25 - \$40 per hour plus tips. Position recommended for guys from age 21 to 35, but we consider all applicants. The employee will learn how to read the crowd musically, speak in front of large amounts of people, and motivate people to have a great time!
