"My experience working with Krista was superb! I contacted her on short notice to record a song at a local recording studio. She responded immediately, performed twice in the studio beautifully, and more than made up for the fact that part in the composition was left up to her creative interpretation and she performed it with outstanding professionalism." — professional musician / songwriter

Krista is phenomenal to work with! She not only did the her record tracks for the EP (which she completed within the first couple takes) she works with me on a weekly basis to enhance the quality of worship at Leighton Church. Krista is an absolutely incredible cello player and a total joy to work with."

"I have worked with Krista as fellow cellist on our church's worship team as well as having her play in

my wedding. What really impresses me about Krista's playing is the amount of purposefulness and meaning that she brings to her music. She really tells a story with her music whether she is playing improvised worship, acoustic versions of contemporary songs, or classic pieces."
