

Pets and Items Transported

Location **Oklahoma**
<https://www.genclassifieds.com/x-734060-z>

QR Code Link to This Post I am heading through Oklahoma Clty this week and will be going to Southern California. If you need anything transported including pets, or any sort of goods I have a large delivery truck and room for some extra things that can be picked up and/or dropped off anywhere in OK, TX, NM, AZ, and CA. Please email me with more information about what you'd like shipped and description of the item(s).
