QR Code Link to This Post Looking for older musicians (50's,early 60's.. younger or older fine too)to get together once a week for practice,cold beer and friends.Put a SOLID band together with no set time frame to play out,whenever it happens is great,practice can be almost as much fun as playing out.This is a strictly for fun project,not a second income, covering great older tunes from 70's,80's and whatever.I myself lean toward the heavier melodic rock,influenced by Montrose,Blackmore,Schenker and Schon, but open to playing anything that rocks.Be fun to play songs you always wanted to in a band and never had the chance,or would love to play some old tunes again in a band.Fairies wear boots is one I'd love to play again! Casual setting,looking for GOOD,experienced band players with no attitude or ego,just love to play.Practice space with PA...(and a beer fridge..lol).Hit me up if you'd like to be part of putting this together!
