QR Code Link to This Post Departing Wyoming for the Midwest on Sunday, December 11th. Seeing if anyone out there needs a lift part of the way. Just looking to share some good stories and a few bucks for gas. Don't be fucking weird-I'm not (Firefighter in his early thirties). Can go several ways to get where we are going:

Route 1-Billings, Miles City, Bismark, St. Cloud, Minneapolis, Madison, Chicago Area

Route 2-Sheridan, Rapid City, Sioux Falls, Albert Lea, Lacrosse, Madison, Chicago Area

Route 3-Can pass through Omaha and Iowa on the way to Chicago

Let me know sooner rather than later. Will need to validate you as being a real person prior to ride. Don't be fucking.
