Before/after school for Chaparral Elementary is also available.

I'm 35, professional, clean and loving :) Experienced, established daycare provider for 15 years now. NO pool.. NO smoking... NO pets... NO stairs... 2 female providers during all preschool hours.

I am very teacher friendly, no charge for school holidays or summer breaks you don't use. Sibling discount. I am tax deductible. I'm ALWAYS open when I say... I have a backup for appointments. I will NEVER close last minute on you. I'm minutes from the 202 and San Tan Mall! Gilbert, Queen creek, Mesa, Chandler. I will only watch one child under age 1 at a time. For daytime/preschool kids we have preschool lessons, including circle time, letters and numbers, music and crafts. Outside time, lunch, naps, free play, coloring, learning to cut and glue, snacks and singing. Your baby can read. We do crafts every day, and I play WITH the kids. I love love love kids!! I have one daughter, she is 7 and in 2nd grade. I'm a single mom. Safe home. Open space for outside play. Healthy meals and snacks include fruit and veggies. My home is VERY clean and lots of fun with 2 play rooms! I run a very professional and organized daycare. I coach my daughters soccer team, love to hike and do CrossFit. My entire family is law enforcement and military. I love taking the kids for walks and picnics and playing tag at the park. On the weekends you will find me at the Phx Zoo or hiking Camelback :)

Please Email me with ALL info... days and hours needed... # of children and ages for a quote.

And due to spam and prank calls I will not post#.
